WHERE: Indonesia

START DATE: January 2019 and November 2019. Exact timing to be negotiated with the successful candidate

DURATION: 1 month

REPORTING TO: Program Manager for Indonesia

DEADLINE: Open until filled

Note: *This is a voluntary assignment. Domestic and international economy airfare, ground transport, visa, travel insurance, out of country accommodation, and a meal/incidental allowance will be covered by CDF Canada. Applicants must be a Canadian citizen or a permanent resident.*

BACKGROUND:

The INVEST Co-op program seeks to improve the economic well-being of 70,000 small producers in Malawi, Peru, Mongolia and Indonesia. Through an integrated co-operative approach, the program will benefit producers by increasing production and productivity, increasing access to markets, and increasing access to financial services. The program will also focus on building the capacity of local co-operatives and working with governments to create an enabling environment for co-operatives to do business.

The INVEST Co-op Indonesia project aims to strengthen the position of small aquaculture producers of seaweed, milkfish, and shrimp (SMS) in four regencies of South Sulawesi (Takalar, Jeneponto, Bantaeng, and North Luwu) by:

1. Working directly with women and men small aquaculture producers (WMSAP) to improve the quality and quantity of climate and disaster resilient production, and access to financial services and markets through co-operatives;
2. Enabling co-operatives to be sustainable, profitable and run gender-equitable businesses by strengthening their capacity and institutional capability to serve their members better; and
3. Working with governments, private companies, business associations, and other stakeholders to strengthen networks and create a conducive environment for co-operatives to provide better livelihood to farmers.

The INVEST Co-op Indonesia is being implemented by the Co-operative Development Foundation of Canada (CDF Canada) in partnership with Koperasi Serikat Pekerja Merdeka Indonesia (KOSPERMINDO) and the Fisheries and Marine Institute of the Memorial University of Newfoundland, Canada. The project is made possible with funding from Global Affairs Canada (GAC) and contribution from CDF Canada.

ABOUT THE ASSIGNMENT:

The specialist will work with the local project partner as well as the Indonesia Credit Union Central (CUCO). The main objective of the volunteer mission is to evaluate the effectiveness of trainings delivered on financial literacy, and to assess the level of understanding of financial co-operative/credit union. The results from this evaluation

will inform the project strategy on this front. Required skills: evaluation of training delivery; understanding of financial co-op/credit union; Indonesia co-op sector and regulations.

APPLICATION PROCESS:

Please submit your resume and cover letter using the [volunteer information form](#). You must be a Canadian citizen or permanent resident. Successful candidates will be required to obtain a police-check from their local police/RCMP detachment. ***All applicants are thanked for their interest in CDF Canada; however, only those selected for an interview will be contacted.***

Co-operative Development Foundation of Canada

Co-operative Development Foundation of Canada (CDF Canada) is an international development charity that helps improve the lives of women, men, children and their communities through cooperatives. We envision a world where self-reliant communities flourish. CDF Canada is working with local partners in Africa, Asia, Latin America and in Eastern Europe to establish and grow community owned co-operatives that help people achieve more prosperous, self-reliant lives. For over 70 years, CDF Canada has been mobilizing financial resources, volunteers and knowledge – mostly from Canadian co-ops and credit unions – to make the world a better place. For much of that time, CDF Canada worked partners to help communities move toward prosperity and create more secure lives through community-owned cooperatives.
