Overseas Volunteer Opportunity - Indonesia

M&E Results Reporting Officer

Contribute. Discover. Grow. Volunteer with CDF Canada.

Location:	Makassar Indonesia
Start Date:	March 2019 (exact timing will be negotiated with the successful candidate)
Duration:	2 months
Language Requirement:	English (mandatory); Bahasa (desirable)
Deadline:	30 January 2018

The Project

INVEST Co-op is a four-year (2015-2019) multi-country project (Indonesia, Malawi, Mongolia and Peru) funded by Global Affairs Canada (GAC) and CDF Canada. INVEST Co-op, implemented by CDF Canada, takes an integrated co-operative approach, benefiting producers by increasing production, productivity, access to markets and financial services.

The INVEST Co-op Indonesia project aims to strengthen the position of small aquaculture producers of seaweed, milkfish, and shrimp (SMS) in four regencies of South Sulawesi (Takalar, Jeneponto, Bantaeng, and North Luwu). The INVEST Co-op Indonesia is being implemented by CDF Canada in partnership with Koperasi Serikat Pekerja Merdeka Indonesia (KOSPERMINDO) and the Fisheries and Marine Institute of the Memorial University of Newfoundland, Canada. The Induk Koperasi Kredit Indonesia (INKOPDIT) also known as Credit Union Central Organization of Indonesia CUCO) has been recently engaged as a strategic partner to support the financial literacy and inclusion component. The project is made possible with funding from GAC and contribution from CDF Canada.

Co-operative Development Foundation of Canada (CDF Canada)

CDF is a not-for-profit which establishes and grows co-operatives, credit unions, and community-based organizations to reduce poverty, build sustainable livelihoods, and improve civil society in less developed countries, with climate resilience and gender as key cross-cutting priorities. For more information about CDF, please visit the website at: <http://cdfcanada.coop/>

Our Partners:

Koperasi Serikat Pekerja Merdeka Indonesia (KOSPERMINDO)

Established in 1999 with a vision to become the prominent trade center for seaweed in the world. Authorized by the Ministry of Trade to implement Warehouse Receipt System for seaweed commodity in Indonesia. Kospermindo has business relations with national and international companies.

The Fisheries and Marine Institute of the Memorial University of Newfoundland

MI is a technical institute within a large, multidisciplinary university (18,500 students). Located in St. John's, Newfoundland (eastern Canada), MI provides education, training, applied research and industrial support in the aquaculture and fisheries, maritime and ocean technology sectors.

Your Assignment

The volunteer will work with the project team to develop the Annual Report for CDF. The report showcases annual and cumulative achievements in each of the four participating countries (Indonesia, Malawi, Mongolia and Peru). Each country submits an independent project report to CDF Canada providing annual and cumulative updates which ties into the overall INVEST program annual report. This includes but is not limited to support in the roll out of M&E tools and gathering of data, the interpretation of data especially for the rolling profile and annual surveys. The volunteer will also identify and document key innovations within the project and build case studies around them for use in future programming. The volunteer will be based in the CDF office in Makassar, Indonesia and will be required to travel to remote communities.

Activities and Deliverables:

The Volunteer will undertake the following:

- Ensure that all the essential data and information is available in relation to the indicators in the Performance Measurement Framework
- Oversee the quantitative and qualitative analysis of data
- Develop Human Interest Stories
- Work as a liaison between CDF Canada and the local project team in Makassar on the editing of the donor report
- Lead the write up of the INVEST Indonesia annual report (including annexes) following the guidance provided by CDF Canada
